

QUALITY POLICY DECLARATION of the Management of ORGACHIM AD

Our understanding is that our Company's success depends on our ability to accurately define and fully satisfy the ever-increasing demands of our customers as well as other stakeholders.

To achieve this success, we strive:

- To transform the needs and expectations of our customers into requirements for the products developed and manufactured by us;
- To increase our competitiveness through product and technological renewal;
- To expand our presence on national and international markets;
- To improve our organization of work through planning;
- To motivate our staff, providing training and qualification, forming a corporate culture;
- To take action only in accordance with the applicable legal and regulatory requirements;
- To prevent discrepancies with priority instead of remedying them.

To implement, maintain and improve the Quality Management System in accordance with the requirements of the international standard ISO 9001:2015 is an essential component in achieving this striving.

Every employee of ORGACHIM AD undertakes to make a personal contribution to the implementation of our Quality Policy.
